MAURITIUS

PEARL OF THE INDIAN OCEAN

The legendary island of Mauritius is home to an exceptional lifestyle. This global tourist destination is renowned for its many wonders, which will amaze you.

Its flag's colours perfectly reflect the country's history and authenticity:

- Red recalls the heroic struggle of the Mauritian people in March 1968 for independence and freedom.
- Blue stands for the breathtaking beauty of the lagoon and the Indian Ocean.
- Yellow evokes the island's newly acquired freedom and prosperity after its independence.
- Green symbolizes one of the country's main assets: agriculture, which colours the landscape all year round.

In short, the island of Mauritius is a jewel in the heart of the Indian Ocean, guaranteed to seduce you with its authentic charm.

Legend Hill welcomes you to a legendary experience of excellence and style on this paradise island.

Located on the west coast, the resort has one of the most spectacular views of the Mauritian bay. Its architecture blends harmoniously with the landscape, achieving a unique feeling of indoor-outdoor fusion.

The decor reflects the spirit of South African lodge houses. The combined elegance and rusticity of the wood for the furniture, natural shimmering ethnic fabrics to remind you that in Mauritius, the spirit of gentle living is an art we nurture on a daily basis.

Each area has been designed to offer a legendary experience: rooms & suites, villas, flats, bar and restaurants, spa, fitness club, beach club, infinity pool...
